The 100 Packard Tour at *Escondido's Cruisin' Grand*

TOUR ANNOUNCEMENT

We've been invited back! The City of Escondido loved our Packards last year and has asked us to bring back LOTS more Packards this year. They will close off enough streets of *Packard Parking* only for 100 of our fine motor cars to be displayed on Friday, July 29, 2005, from 5:00 PM to 9:00 PM. Packards International San Diego and SoCal Regions will co-host this event and provide an exciting 2-day tour. You, your Packard, family and guests cordially invited to join us for a grand evening of fun and nostalgia as we show our fine motor cars to the admiring public. This summertime event is very popular with attendance well into the thousands. It affords a fine opportunity to meet other Packard owners and to WOW the public with your fine automobile.

Tour Director: Sydney Kirkland (760) 747-6001, Syd@SydneyKirkland.com.
