# Collector Tour

## Good food, Great people, & Gorgeous cars!

From the professional quality of the National Magazine to the constant originality of the monthly tours, it is undeniable that this club is positively growing. What is truly astounding is the fact that this dedication and commitment comes from an unpaid staff. Our Regional Board would like to thank all the volunteers for their participation and for their contribution of time and energy to our organization.

This year our Collector Tour begins at 10:30 on the morning of July 22<sup>nd</sup> in Anaheim, California. The Phoenix Club Restaurant will have its hot plates ready for our Packard swarm. We will kick off the day with a bountiful breakfast, set to include fresh fruit, scrambled eggs, sausage & bacon, French toast with warm syrup, and coffee & juice to wash it all down. What we have in store for you next is a first! Following the feast we will travel only a couple minutes away to a collection you didn't even know existed! I will give you a hint... you know them! They have been to many of the Packard Events, countless car shows, and are regulars at the Arizona Auction. In fact, this year they received the most elegant post-war at the national level. They collect cars that turn them on, not what automotive guides say you should be turned on to. From Shelys to Packards, our final destination will be at the collection of Fred & Dee Heitman. We invite you to escape from reality and spend the day enjoying good food, great people, and most of all, gorgeous cars! Please make your reservations accordingly.
